A screenshot of the What's4Dinner website. The top navigation bar includes links for 'Show All Users', 'Show All Recipes', 'Search for Food', 'Search for Drinks', 'Get My Recipes', and 'Logout'. Below the navigation, there are two sections: 'My Favorite Recipes' and 'My Favorite Drinks'. Each section contains six recipe cards with images, names, and 'Click to Expand' buttons. The 'My Favorite Recipes' section includes Beef and Mustard Pie, Beef and Oyster pie, Beef Bourguignon, Cuban Libre, Cherry Rum, and Cuban Bloody. The 'My Favorite Drinks' section includes Cream Cheese Martini, Tomato Soup, Grilled Portuguese, Cuban Libre, Daiquiri, and Alabama Slammer.

Ideas for the Future

- Make a Create Your own Recipe Page
- Add ability to view and comment other users recipes
- Add more ingredients and categories
- Add influence from other cultures
- Mobile App possibilities
